To our wonderful cast!

You've all worked so hard these past 9 months and here we are!

*Thank you for your dedication and for being with us on this journey and now it's showtime!
Have fun!*

**Message from the Director:
“Dead...On the Orient Express”**

Good evening and welcome to I Can Dream Theatre’s 7th production, “Dead...on the Orient Express” – a musical comedy.

We have an amazing ensemble cast tonight made up of 31 actors. They have worked hard and rehearsed for over 8 months to put this show together, and what a show it is!! They will delight you and make you wonder. They will make you laugh and make you cry. They will amaze and inspire you in ways you couldn’t have imagined, and they will most surely entertain you. If you are an I Can Dream Theatre newbie, prepare to be amazed!!

This year the journey took us on a mystery tour, a murder mystery to be exact, and it was fun to peel the layers back to see who dunnit. The title may seem familiar, but if you have ever been to one of our shows, it’s never what it seems. The cast themselves didn’t even know the ending of this show until about 4 months into rehearsals. They had the chance to look into the characters and the plot and decide for themselves who the killer might be and why. It helped them to delve into the story more and question their own characters and possible motives.

A project of this magnitude could never be accomplished without the help, devotion and tireless efforts of our volunteers. They say it takes a village, and ICDT is no different. From costumes, set design, media, band and so so much more, they help us to grow and continue moving forward. Thank you is just not enough!

Thank you to our Planning Committee who always work hard year round to help strengthen ICDT with their ideas and creativity, and always planning different and new ways to enhance this group’s future.

To our Sponsors and Donors – thank you for supporting us and helping to enrich this wonderful group!

To our Board of Directors, thank you for holding and cradling I Can Dream Theatre and always keeping it safe as we move forward.

Last but never least, my partners Michele Matthews and Tricia Bartley, my amazing creative partners: “You can do what I cannot do. I can do what you cannot do. Together we can do great things” – Mother Teresa. Love you both!!

And to all of you here tonight, please always remember and never forget, if you can dream it, you can live it!

Thank you so much for coming tonight and enjoy the show!!!

Why I love working with ICDT. They're family. I couldn't consider not being there at least in some part. My job...is sitting at the back of the auditorium pushing buttons on my computer, playing the sound effects. I get to see the whole show because I'm not backstage. It's the best place to be!

Judy Bernstein (Volunteer)

All I can say is that , every emotion you have in you , will be experienced on performance night. You have to see it to understand.....
